

# Paid To Click Php Script - Traffic & Profits On Autopilot

[DOWNLOAD HERE](#)

Create a Paid To Click Website!! This Paid To Click site is a solution that's sure to bring advertisers and consumers together in an advertising effort that works! The site requires members to visit a site for a certain amount of time to receive a cash credit. This is not an automated surfing site. This is a real paid to click site where the advertiser's site is actually visited! How it works The Paid-To-Click site is an automated revenue generating site that is free for advertisers and members to join. Advertisers can add funds to their account that will grant credits for each link a member clicks on. Then after a predetermined amount of time, the member receives 50% of the credit, with 50% going to the website. Advertisers set their prices, how much time a member must be on the site for credit and for how much of a budget per link. For members, they receive a 50% commission in each link they visit where they view the site for the predetermined amount of time that the advertiser sets. The credit is one time only per advertiser link and can be withdrawn to their PayPal account after reaching an amount set by the admin. BONUS: Order now and receive MASTER Resell Rights so you can sell Paid To Click Script and keep 100% of the profits! You will even get a copy of this sales page which you can easily customize!
