Ideas of How You Can Use Your Minisite/Wordpress Template If you pop over to Clickbank or PayDotCom there are loads of related affiliate programs that you can join. Grab a few banners and place them on your blog using the Wordpress theme. Don't put them on your sales page as the only button you want your website visitors to click there is the payment button :-)

Place a YouTube video on your blog or better still, make your own video! You can do this quickly and easily for free (yep it's free, although there is an upgrade if you want it) at onetruemedia- it's fun to use too! You can also set up your own affiliate program for the ebook, allowing your affiliates to use the banners I have created for the Minisites. I believe you get your first one for free over at PayDotCom.com

Enhancing the ebook with photographs from the Public Domain is also a good idea, which is also free. Thank you for reading and I hope I've helped a little. - Julie Creative Niche Graphics
