Did you know that online content theft is at an all-time high right now? Well, its true. Just look at some of the many ways thieves could be stealing from you at right this very minute: They could be stealing your PayPal download "return link" by simply clicking View, then Page Source They could take and use your web page design and graphics by simply clicking File, then Save As They could copy pictures, images and other artwork from your page, even those that are copyrighted, and use them elsewhere They could harvest email addresses from your page and start spamming them And much, much more! Clearly, You Need Protection You Need HTML Lockdown!
