You've purchased this product with full Master Resale and Redistribution Rights. More The Best Products with PLR or MRR at lucky7.tradebit.com I'm guessing you probably already know this, but simply by having a copy of this eBook, you automatically have "rights" to it. So what does that mean - "having rights"? Well, it means: You can sell it from your own web site. You can offer it in your membership site if you have one. You can sell it on eBay if you like (but eBay isn't too keen on eBook auctions these days - so it's probably best if you put it onto CD or DVD and sell it that way via auctions). You can put it onto a data CD or DVD if you like to sell from your website, through a drop shipping program, or even offline through mail order. You can even give it away if you like... It's completely up to you how you distribute this product and profit with it! There is in fact only one restriction to the rights you have with this product -you can't change it in any way.
