'You Are God. Get Over It!' is the eagerly awaited follow up to 'The Messiah Seed, Volume I' from author Story Waters. Story explains how in 'The Messiah Seed' he offered the fruits of view of life. In 'You Are God. Get Over It!' the reader is offered the tree from which those fruits grew. This amazing book of 'Unfoldings' gives a complete cohesive view of the nature of reality, explaining how we are each the creator of our reality - how we are God. Through the Unfoldings the reader is guided to see through the illusion of duality to the shared unity that underlies all life. This is the realization of God within. This is beautifully captured in Story's own words: "God is the infinite freedom to be from which all realities flow. Being that which underlies all that is experienced, God is both the creator and perceiver of all experience. It is that which creates itself - the creator and the created. God is that which you are - the unfolding creation of your own beingness. You are the infinitely free power of creation choosing to be you. There is no separation between your will and its realization into reality. To see through the illusion of time is to see that there is only the Now. The Now is the unfolding of the eternal moment of creation. To live in limitlessness is to feel the strength to take total responsibility for the state of your life, for it is to know that you are the creator of your life. It is to experience, through the clarity of love for your being, that you are God." "Embrace your choice to be here. Here is not inferior or profane. Here is the Now. Here is where your experience of the Now is. Here is where you realize you are God. Here is the most wonderful place you could possibly be. Here is where you are choosing to be. Here is where you are reading this book, and with these words you are being welcomed into your divinity. Here is Now, and Now is where everything you have ever wanted happens."
