This book comes with Private Label Rights. So you can do whatever you want with it. Rebrand it, sell it and keep all the proceeds. Learn Thirty-two different flower models using many different materials such as silk, satin, velvet, organdy, kid, velvet, ribbon, chiffon, gingham, fancy ribbon, and chenille. / The fancy ribbon creations are nice for boudoir decorations such as lamp or candle shades, pillows, bags or fancy boxes. Pink satin or chiffon flowers are used with pleasing effect for caps and negligee. A hat may be trimmed with flowers made of the same material as the hat, or a contrasting material is in good taste.
