"I know that no matter where you are in your life, you want more! No matter how well you're already doing or how challenged you now may be, deep inside you there lies a belief that your experience of life can and will be much greater than it already is. You are destined for your own unique greatness..." Anthony Robbins already has unlocked the personal power inside millions of people worldwide. Now in this revolutionary new audio production based on his enormously popular Date with Destiny (TM) seminars, Robbins unleashes the sleeping giant that lies within all of us - teaching us to harness our untapped abilities, talents and skills. The ultimate program for improving the quality of every aspect of your life - personal or business, physical or emotional - AWAKEN THE GIANT WITHIN gives you the tools you need to immediately become master of your own fate. About the Author Anthony Robbins: For the past three decades, Anthony Robbins has served as an advisor to leaders around the world. A recognized authority on the psychology of leadership, negotiations, organizational turnaround, and peak performance, he has been honored consistently for his strategic intellect and humanitarian endeavors. Robbins has directly impacted the lives of more than 50 million people from over 100 countries with his best-selling books, multimedia and health products, public speaking engagements, and live events. Anthony Robbins calls himself a peak performance coach rather than a motivational speaker. He tries to find out what people do when they are at their peak and then help them access that peak state whenever necessary. He believes what he does is more effective than providing temporary motivation. His nonprofit Anthony Robbins Foundation provides assistance to inner-city youth, senior citizens, and the homeless, and feeds more than two million people in 56 countries every year through its international holiday Basket Brigade. Robbins is the founder of the Anthony Robbins Foundation, which proclaims its mission is to empower students, help prisoners to improve their lives, organize food drives, and fund Robbins' summer "Discovery Camp". According to the website, it has "products and programs in more than 2,000 schools, 700 prisons, and 100,000 health and human service organizations. The Foundation is committed to make a difference in the quality of life for children, the homeless, the prison population, and the elderly through its various programs." Charity Navigator gives the foundation an overall rating of four out of four stars.
