Furthermore, do you specifically search for negative and neutral feedback comments to see why others disliked the eBay member? I do! In fact, I do it all the time ... especially before I buy something to make sure the member can actually deliver what they claim. Have you clicked through hundreds of feedback comment pages ONLY looking for NEGATIVE comments to decide if you TRUST the seller? So...that being said, here is a simple software tool that does exactly that. The Feedback Analyzer Pro software designed by Dave Guindon quickly separates all the positive, neutral and negative feedback comments into 3 different lists. Save time by

quickly extracting all the feedback comments into separate lists using Feedback Analyzer Pro! Plus, you not only have the ability to extract the feedback comments that a given eBay member has receive; but you can also extract the feedback comments that eBay member has left for other eBay members. Also, you can easily save the feedback comment lists in several different formats; namely: plain text (txt), comma delimited (CSV), and hypertext markup language (HTML). However, I really have to admit that the most exciting feature is the Ad Creator Tool. This single tool has the ability to instantly increase your eBay sales by simply copying some html code into your auction description.
