Discover How You Can Become The Next Guitar Pro! Exclusive Offer! Never Before Revealed Information! Dear Friend, You have probably heard about Guitar Hero and how it is this new and exciting game is taking over the nation. It's just not a game but a superhero's game. You could not walk through any electronics store or Best Buy without seeing customers young and old standing in front of the monitors with a plastic guitar strapped around them strumming to a Pat Benatar's Hit Me with Your Best Shot. I should know I was one of those customers! The overwhelming popularity of this fun game is a testament to not only the fantasy we have about being the next great rock star but the popularity of the guitar. The guitar is among the most popular musical instruments around. Because of how versatile the guitar is, it is a popular instrument to learn how to play. The guitar can play any kind of music that suits you interest whether it is rock, country or jazz or any other style of music. You may be interested in playing your favorite songs or maybe you are a budding songwriter and you would like to write your own songs. Either way, the guitar would be the perfect instrument to learn in these cases. Like all musical instruments, if you want to learn to play the guitar you will need plenty of practice, perseverance and patience. Learning to play the guitar will be very rewarding experience if you stick with it and the guitar can give you many hours of enjoyment. Now You Can Save Time and Money and Stop Searching for Information About Becoming the Next Guitar Pro! Wouldn't it be nice to have all those questions you had about becoming the next guitar hero and the secrets offered in one place? You can spend hours searching online for answers or you can spend hundreds of dollars taking a class that would expose these secrets, maybe... As soon as you read an article on a website or a blog from a Guitar Hero expert and you think you have a grasp of what is going on, another article will come out and contradict the first one that you read. Books are expensive and much of the content is full of fluff. They don't contain the real nitty-gritty stuff that you need to be successful Guitar Hero. The information key contained within this text may not make you the best Guitar Hero Player in the world, but it will help you to beat your friends and family in a challenge match! It is so frustrating to read the advice from one webpage only to find out it is

contradicted on another. Give up those endless hours of research and reading because there is a one stop, tell-all source that will give you the information you need to join in the alternative playing field of Guitar Hero. You learn various ways to play the most powerful game on the planet in a way that will be both satisfying and rewarding... The Complete Guide to Learning the Guitar This is a detailed report with insights into the guitars structure and how to play a regular guitar before you can conquer the Guitar Hero game. The book explains everything you need to know about the guitar and it's origins which allows you to understand more about the guitar before you can play the game. This will give you an edge over your appoint. There is information regarding the tuning and positioning of your hands and feet, your whole body when you are playing with a guitar, either a real one or the Guitar Hero game. There is also a chapter in tuning your guitar, playing notes and cords, scales and your first song, and much, much more.
