

Clickbank Thank You Page Script

[DOWNLOAD HERE](#)

This is a fully automated Thank You Page Script which is much more powerful than a Static HTML Page. This System will verify whether your buyer is forwarded from ClickBank after payment, order Details including the ClickBank Receipt # will be displayed on your Thank You page, this System will collect the name and email address of your buyer, a sales report will be sent to you Instantly, a Thank You message will be sent to your buyer without any delay, it adds the buyer to your Autoresponder System so that follow-up emails will be sent to promote your other products, the whole system is fully automated and easy to customize with any text editor. With this script you dont have to send a thank you message to your buyer manually, you dont have to add them to your customer database yourself, you dont have to send them promotional emails manually to promote other products, you dont have to worry about getting repeated sales and you dont have to worry about ebook and software Hackers. Comes with MASTER Resale Rights!
