5,639 business articles Sample Topics: Basic online business techniques Be a success in your business Blogging for business Business insurance What makes a business worth investing in Excerpt: "Most businesses spent time attracting customers to a product or service, trying to win their trust and then ending the whole process with a sale. That tactic seems obvious to most people. What often is neglected is the post-sale follow up with customers, particularly when it comes to online businesses. We should look at the time after a sale as an opportunity not only to improve our products but also to establish long-lasting relationships with our customers."
