

# The Man Who Shocked The World: The Life And Legacy Of Stanley Milgram - Thomas Blass

[DOWNLOAD HERE](#)

The creator of the famous "Obedience Experiments," and originator of the "six degrees of separation" concept, Stanley Milgram was one of the most innovative scientists of modern times. Blass captures the colorful personality and pioneering work of a social scientist who changed the way we think about human behavior. This book is a must-read for anyone interested in psychology, sociology, or the history of science.
