Backlink Flood PRIVATE LABEL RIGHTS INCLUDED! Announcing: Strictly limited PLR to top selling premium SEO product "Now You Can Be One Of An Elite Group Of Smart Marketers Eligible To Secure Private Label Rights To A Premier SEO Product That'll Bring In Profits For Months And Years To Come..." You'll get absolutely everything you need to start selling straight away For the first (and only) time I am offering a strictly limited number of private label rights licenses to one of my most successful and profitable products. You already know why you want PLR rights to high quality products. So let's start with the Cliff Notes for why you want PLR rights to this premium product... \* It's sold 100s of copies at \$67 generating well over five figures in profit \* It was used in a Warrior Special Offer for a charity fundraiser where I offered 50 off for 100 copies. I foolishly went out for the afternoon and it sold so fast 144 copies sold before I could take the offer down \* 8 of the top SEO posters at the Warrior forum personally endorsed (and promoted) the product (including Angela Edwards, Paul Johnson and Steve Aylor) \* Allen Says, the owner of the Warrior Forum himself, promoted Backlink Flood on every page of his forum for 2 weeks (I didn't pay for this ad, this was a commission only affiliate promotion) \* It's not just an ebook but comes with two powerful pieces of software as well ... an absolute steal - even at the highest retail price. Here Is What You Get When You Secure Your PLR Package Today \* Complete Backlink Flood Digital Report, which explains advanced link building and SEO concepts (in both Word and PDF formats) \* Accompanying Keyword Flood Guide with full details of how to do Keyword Research (in both Word and PDF formats) \* Keyword Flood, keyword research software, pre-compiled incase you don't want to edit it and source code incase you do \* Article Flood, article spinning software, also pre-compiled and source code to suit everyone \* The complete sales letter I used to sell it and professionally created affiliate tools (I paid over \$1,500 for this) \* All the graphics used to sell it (PSDs included!), which I paid nearly \$1,000 for If it's so good, why are you selling it? This is a question I always ask of these "too good to be true" offers. If the product is so fantastic, why would I offer you the right to sell it? Simply put, I need the time and the money. I'm involved in much bigger projects now and not only do I need the injection of cash selling rights will give me but I no longer have the time to actively market it. So I figured why not get

myself the cash I need and let other people benefit from selling such a high quality product in the way I have. I'm only selling 250 licenses This isn't fake scarcity, this is my way of guaranteeing my customers receive the absolute best value for money possible. If I don't cap the number of licenses sold the value of the product will be too heavily diluted and no one will win. But by capping it at 250 licenses I can guarantee the value will remain high and you will profit handsomely. How Much for PLR to This Premium Package? Usually PLR for such a high quality product including great software and all the marketing materials sells for as much as \$497 ... But you're in luck because I need the income fast. So instead of waiting around a couple of months and finding people ready to shell out \$497 for it I'm only going to charge \$14.00 but you'll have to act fast because these licenses will only last a few days. What Can You Do With Private Label Rights To This Premium Package? \* Sell the whole thing as your own product - Simply add your name and payment button and you're an instant SEO guru selling your own product. \* Use it as the foundation for a bigger and expanded product that you can sell as a high ticket item - an upgraded version delivered as a home study course could easily sell for \$497. \* Break the product down into your own Ezine - We all know the money is in the list but with PLR to Backlink Flood you won't have to worry about providing high quality content to keep your open rate high, you'll already have it. \* Sell on Auction Sites - Ebooks are pretty much impossible to sell on auction sites but Backlink Flood has software that you can burn to DVD and sell as your own physical product. \* Increase Affiliate Profits - Simply use Backlink Flood as a bonus for higher end affiliate offers and make people want to buy through your link. Make it a no brainer for them! \* Use Affiliates to Sell It For you - Sell it as is or with your own brand and get affiliates to promote it ... I did! \* Learn From the Product Yourself - There's a reason I sold 100s of copies. This is top quality stuff and you can learn a lot of advanced SEO tactics from reading it and benefit from using the software yourself. \* Keep 100 of the profits - When you buy the Private Label Rights to Backlink Flood it's 100 yours and you keep 100 of everything you do with it! Your Rights When you purchase Private Label Rights to Backlink Flood it is yours to do with as you please. Sell it, edit it, give it away, chop it up, print it and stack it by the toilet ... it's entirely up to you. However you may NOT sell on your Private Label Rights. I am selling 250 licenses only and you cannot sell any more yourself. The value remains high and EVERYONE profits. \_\_\_\_\_ Visit My Store For More Deals!!!
