

# Act Like A Lady, Think Like A Man By Steve Harvey

[DOWNLOAD HERE](#)

What Men Really Think About Love, Relationships, Intimacy, and Commitment As a popular comedian, radio host and red-blooded male, Harvey doesn't have the bona fides typical to most women's relationship self-help, but he still manages a thorough, witty guide to the modern man. Harvey undertakes the task because women are clueless about men, because men get away with a whole lot of stuff and because he has some valuable information to change all of that. Harvey makes a game effort, taking a bold but familiar men-are-dogs approach: if you're cutting back on sex, he will have another woman lined up and waiting to give him what he needs and wants--the cookie. Several chapters later, however, he introduces the ninety-day rule, asserting that, actually, he won't always have another woman lined up--and the only way to make sure is a three-month vetting period. Harvey also tackles mama's boys, independent--and lonely--women, and the matter of children in the dating world (if he's meeting the kids after you decide he's the one, it's too late). Feminists and the easily offended probably won't take to Harvey's blanket statements and blunt advice, but Harvey's fans and those in need of tough (but ticklish) love advice should check it out (especially the hysterical last-chapter Q&A). Review A thorough, witty guide to the modern man....those in need of tough (but ticklish) love advice should check it out (especially the hysterical last-chapter Q&A). (Publishers Weekly ) Filled with practical principles, rules and tips, and illustrated with humorous and warm-hearted anecdotes from Harvey's life and friendships, ACT LIKE A LADY, THINK LIKE A MAN gives readers the real deal about the differences between the sexes and how to bridge them for a mutually rewarding partnership. (New York Beacon ) [This] book offers surprising insights into the male mentality and gives women a few strategies for taming that unruly beast. (The Philadelphia Inquirer ) Women should listen to Steve Harvey when it comes to what a good man is about. Steve Harvey dispenses a lot of fabulous information about men. It's more than the average man will usually tell you. Steve Harvey will give it up. (Aretha Franklin)
