From: Diamond Dave Date: November 17, 2009 Dear Friend, If you've been spending countless hours trying to figure out how to generate a full time living online, you will want to read every single word on this page. There are thousands of online cash gimmicks, bogus claims and over-hyped promises that will do nothing more for you than leave you frustrated, overwhelmed and ready to throw in the towel and call it quits. But before you even consider doing that, rest assured that there really are viable business models online.. these are proven cash machines that once set up and activated, will continue to suck in cash, all on complete automation. Imagine the possibilities if you had a rock solid blueprint in your hands that would guide you every step of the way, as you are given every tool and resource you need to design the most profitable online business imaginable. What kind of platform will this fortune magnet be focused on? Membership websites. Membership websites are the cream of the crop in terms of sustainable online business platforms. With a membership website, you can literally walk away from your computer for weeks only to come back to a bank account, flooded with recurring payments from active subscribers. And despite what you may have heard about how time consuming membership websites can be, just by following a series of proven strategies, you can create hands-free continuity websites that spit out content instantly, keeping your website fresh and updated, 24/7. This is SET and FORGET income! And for the first time ever, the complete formula for building shockingly profitable membership websites is being released but only for a very limited time.. "It's Been Called The Millionaire's Secret Weapon To Instant Wealth.." The reason why membership websites are such a popular method of driving in instant income and building an online following is in the pure simplicity of this business model. All you need to do is create a membership website around a hot topic and using secret sources of killer content, along with a proven blueprint for converting visitors into recurring subscribers, you can power up an entire community, quickly and easily. In fact, it takes LESS effort to build a recurring cash machine using a membership website platform than ANY other online business, hands down! And best of all, with membership based websites, you are given the opportunity to drive in consistent payments from active members that will continue to flood your bank account every single month, like clockwork! "There's always something

missing.." You might have tried to create a membership site in the past, only to fail miserably. The problem is, most of the guides available online always leave out critical ingredients that are necessary in building a sustainable membership community based on ongoing profit and longevity. You can't just create a membership site around any topic or platform and expect it to be successful. In truth, there are a handful of evergreen markets that will instantly catapult your online income while taking your business (and brand) to an entirely new level BUT.. very few people have a clue what they are. From today, forward - you will have an incredibly valuable arsenal at your disposal that will show you exactly how to construct the most profitable membership website possible, without any risks of making costly mistakes or spending time building a website that will simply collect dust. With a copy of the Membership Goldrush's guide to building profitable membership websites, you will know exactly how to execute a plan of action that will launch your website into cyberspace and suck in traffic (and sales) like steel to a magnet.. It has NEVER been easier with a comprehensive PROVEN formula based on successful case studies and years of experience in building membership networks! In fact, look at just a few of the many testimonials I have received from customers from all over the world, who ordered the Membership Goldrush guide and began to see results, instantly..
