Once youve learned the Top 10 Tips youll have two items to practice selling right away! These eBook will be sent to you via email very quickly (usually within 3 minutes!) upon receiving payment. Buy with confidence! IMPORTANT PLEASE READ: What is an e-book? An e-Book is an electronic book. You cannot hold it in your hands, you read it on the computer. Instructions on how to immediately download this item from my website will be sent to your PayPal registered email address once PayPal payment has been received! Most e-Books come in .PDF format, readable by Adobe Reader. Others are in the form of .txt, .doc or sometimes .exe so make sure your operating system complies before ordering your e-Book. Most of the e-Books I sell come with resell rights unless they say otherwise, some of them even come with an auction template so you dont have to make your own. You will need Adobe Reader for the e-Books which come in .PDF format, if you do not have Adobe Reader, you can get it for free by going to Google and typing Adobe Reader. Most of the e-Books are also in .zip format and you will need WinZip to extract them. If you do not have WinZip, you can get it for free by going to Google and typing Winzip. Another good unzipper that I recommend if you are getting an error message when unzipping a file is WinAce, you can get it for free by going to Google and typing WinAce. Also, try using the Firefox browser if you are getting an error message or having problems downloading the file, you can get it for free by going to Google and typing

Firefox. And finally, another thing you can try is Download Accelerator Plus, a download client, use it if you are having downloading problems, you can get it for free by going to Google and typing Download Accelerator Plus. I cannot include the links to the above items without violating eBay linking policies! But dont worry, these are easy to find on your own from Google!
