Its Pinao Playing For Beginners - ENJOY YOURSELF! It is a product that will teach you everything you need to start having fun at the piano bench in no time at all. You can not only start your learning with the Playing Piano - Beginners Guide to Playing the Piano! You can use the same e-book to continue with your development as a musician for years to come. The lessons you learn will be that expandable and flexible. You will buy sheet music and theory books in the future, but you will never need another beginning piano guide! Trying to learn to play the piano does not have to end in failure and disappointment. This e-book will demonstrate how you can learn basic concepts and build on each as you achieve a measure of success. That way, you will never feel like playing the piano is not worth the trouble. You will always have your accomplishments to remember and you can add onto them over and over again. People in their prime of life get great benefit from Playing Piano - Beginners Guide to Playing the Piano! They appreciate the fact that the e-book does not treat them like children, yet it explains everything in understandable language for someone who does not know music. Elderly people learn from the e-book, too, with plenty of time to apply its concepts and plenty of people to entertain with their piano playing. You will no longer be sidelined when others are displaying their talents. You will find answers to your piano-playing problems in this e-book. You will find great value... You Will Be Glad You Bought For Two Reasons... 1)The e-book describes piano concepts in language you can understand. The e-book is written in plain language with consideration to people who have never played the piano before. You will find that you can understand this guide better than other beginners lessons you have tried in the past. It is just that easy! 2) You will learn about detailed information on music for the piano. It does not matter whether you want to learn chords and improvisation or learn to read music. This e-book gives you information on both. You can find out everything from where to put your fingers on the keys to how to play an impromptu song. This e-book does it all
