Book Proposal Magic - Nonfiction Book Proposals Anybody can Write And Sell It Unrestricted PLR Ebook
Number of Pages - 95 Sell your book the easy way --- sell a proposal The good part is that you don't need to write your book before you get some money. You write a proposal, and a publisher will give you an advance, which you can live on while you write the book. Writing a proposal is the smart way to write a book. It's the way professional writers sell non-fiction. Selling a book on a proposal is much easier than selling a book that you've already written. A book proposal is a complete description of your book. It contains the title, an explanation of what the book's about, an outline of chapters, a market and competition survey, and a sample chapter. The primary aim of this book is to help you write your first book proposal and be well on the way to selling it by the time you've worked your way through all the chapters. You write a proposal step by step. In this ebook, we'll work on your book proposal together. Each chapter has tasks for you to complete. Once you've completed all the tasks, you'll have a book proposal which has an excellent chance of selling. Here's what we'll cover: * (Day One) Getting an idea for your book. * (Day Two) Developing the idea and expanding on it. Assessing the market. Who needs this book * What's the competition for the book? * (Day Three) Writing the blurb. Outlining your book. * (Day Four) Researching your book proposal, and fleshing out your outline. * (Day Five) Writing a proposal query letter. Sending your query letters to agents and publishers. (You send the queries while you're working on the proposal. This helps you to gauge reaction to your work.) * (Day Six) Writing the proposal. * (Day Seven) Writing the sample chapter. Revising your proposal. I'll be including a sample of a book proposal for you to look at, so you can see what material the proposal contains. This proposal garnered an agent contract the first time I sent it out. I'll also include other samples, so that you have plenty of templates from which to construct your own proposal.
