

The Art Of Kissing Ebook - Learn All About The Different Types Of Kisses

[DOWNLOAD HERE](#)

A kiss is just a kiss, right? That's how the old song goes, anyway. But to all those who have been kissed, you know it is much more than that! Do you think you are a good kisser? Maybe you think your kisses could be deeper and more passionate, more diverse and more exciting for your lover...Do you want to learn all about the different types of kisses...the kisses that will send tingles down your lover's spine? Maybe you think you know all there is to know about kissing, but maybe your lover silently thinks otherwise. It's time to fine-tune your skills and add some new, exciting kisses to your repertoire.

Introducing...The Art of Kissing

Because a Kiss is NOT Just a Kiss! Who Knows Kissing? Old Fogies or Romantic Poets? The dictionary says that a kiss is "a salute made by touching with the lips pressed closely together and suddenly parting them." From this it is quite obvious that, although a dictionary may know something about words, it knows nothing about kissing! If we are to get the real meaning of the word kiss, instead of going to the old fogies who compile dictionaries, we should go to the poets who still have the hot blood of youth coursing in their veins. For, instance, Coleridge called a kiss, "nectar breathing." Shakespeare says that a kiss is -a "seal of love. Martial, that old Roman poet who had ample opportunity to do research work on the subject, says that a kiss was "the fragrance of balsam extracted- from aromatic trees; the rise odor yielded by the teeming saffron; the perfume of fruits mellowing in their winter buds; the flowery meadows in the summer; amber warmed by the hand of a girl; a bouquet of flowers that attracts the bees." Yes, a kiss is all of these ... and more.
