1990-1994 Toyota 4Runner Service Manual Instant Download! 1990 1991 1992 1993 1994 This is a REPAIR MANUAL and SERVICE MANUAL for a 1990 - 1994 Toyota 4Runner. This service manual / repair manual covers every service and repair imaginable. It is the same as a paper manual but for a fraction of the cost. It will cover everything from oil changes to rebuilding the transmission. The simple fluid changes that you pay hundreds for are covered as well as any repair you can think of. This manual has detailed illustrations as well as step-by-step instructions. You will now be able to do the repairs and services that you pay hundreds for yourself. This manual is just like a paper manual but allows you to print the exact pages you need and simply throw them away when you're done. It covers the vehicle inside and out from interior to exterior. Learn how to find what's wrong, what you need to fix it and how with this manual. You just buy the parts, no more high labor rates. This service manual / repair manual can easily help you with any repairs that you may need to do. Many people are scared to touch their cars because it seems difficult. This is only true when you do not have the resources and tools available for when that time comes! This manual will easily pay for itself on the first oil change, spark plug change, or air filter change that you perform! The manual includes pictures and easy to follow directions on what tools are needed and how the repair is performed. Just imagine how much you can save by doing simple repairs yourself. You can save anywhere from hundreds if not thousands of dollars in repair bills by using this repair manual / service manual. Many people buy this manual just to have it around for when the inevitable happens. Sooner or later, maintenance will need to be performed. Be prepared for it when it happens by simply purchasing this service manual for later use! See below for a list of items that most of our manuals cover. Some manuals actually cover more items that are not even listed!
