"New DESKTOP SOFTWARE That Works Directly From Your PC Predicts The Very Moment Someone Tries To Leave Your Website & Stops Them Dead In Their Tracks With A Profit Pulling Unblockable Psychic Popup" Dear Marketer, Getting traffic is one of the essential tasks all internet marketers must do! But what bugs me is that after all the hard work getting people to a website, the majority of them won't stick around long enough to have made the work worth while. What if you could get a second chance at all these website abandoners? A way to pull their attention back to your site, to capture their email, or give them a special discount or alternative offer before they're gone for good! Do you think that would help you increase your profits? Of course it would! Well I've developed a remarkably simple system that allows you to do just that... Introducing The Brand New... 'Psychic Popup Injector' Psychic Popup Injector is a desktop application, you can use to generate the little 'exit traffic salesmen'. As soon as they get a sense someone is about to abandon your site they jump into action, funnelling the traffic where you want it to go before its gone forever. You can generate an infinite number of these salesmen and put them on any webpage you want. All you have to do is inject it into any web page and voila! This is easy to do, only takes 5 seconds and full directions are provided. Still not convinced that this product is new...maybe this video will: and that's it! You're done! No web hosting needed to install this software because it works directly from your PC...Now you just upload to your website and watch as your new exit salesman starts to increase your profits immediately! Here are just some of the ways you will benefit when you start using 'Psychic Popup Injector' today! * Build Your Opt-In List - Mention whatever free gifts you give away to get more people to opt in to your list. * Promoting Affiliate Programs - Make sure everyone knows about the latest affiliate program you're promoting just as they try to leave your site. * Special Offers - Offer a discount or additional bonus to encourage those who were on the fence to order your products, your conversions will jump thru the roof! * Exit Surveys - Ask your visitors why they are leaving and you'll get all the information you need to improve your offer and increase your profits! * Building Anticipation - Get people buzzing about an upcoming promotion of yours. Give them a little taster of what they can expect to see soon. * Audio / Video Messages - Load audio or video messages to remind your prospects of your

products main benefit or what they stand to lose by not taking action immediately. Its Easy To Use 'Psychic Popup Injector' & Give Yourself A Pay Rise Almost Every Day You can put an 'Psychic Popup Injector' salesman to work on any webpage in under 30 seconds. After that it works for you everyday, regenerating your traffic and channelling it back into your marketing funnel. Tags: popups, create popups, software
