Get Your Hands On 24 Ready To Go Newsletter Issues With Unrestricted Private Label Rights! - All you have to do is plug in your promo ads, copy paste and send! - Dear Internet Marketing Friend, Are you sick and tired of writing and hunting down content to send to your subscribers? Then spending even more time editing that content into a newsletter issue that makes sense? Well now you don't have to worry about that any more. At least for a little while! Introducing a copy, paste and send solution that will save you hours of time and trouble! The "All About Blogging Online" newsletter package is a nice collection of private label articles all preformatted in a ready to go newsletter style format. All you have to do is plug in your promo ads and any other content or publisher notes that you want and send it to your subscribers. It only takes a few minute to customize all of the issues! Yes, you read right! It only takes a few minute to customize all 24 issues included in this package. You can add your name contact information and URL with just a few clicks of your mouse. Leaving you more time to focus on more important things like promotion, lead generation, list building and product creation. What makes this even better is that once you have all of the issues customized you can plug them into your autoresponder, set them to go out every week or once or twice a month and then let them do their job! Which is to keep you in the mind of your readers on a regular basis. Not only do you get 24 ready to go issues, you also get everything you need to use this content and even profit from it! Just keep reading to find out exactly what you will be receiving if you grab this brand new newsletter package with unrestricted private label rights now!
