Hot New Marketing Tactic Revealed: How To Get Thousands (Or Even Millions) Of Visitors To Your Sites With Free Online Video Sites... "Here's How To Get Unlimited New Visitors To Your Websites Without Paying A Penny (Other Than Video Production Costs) Using Free Online Video Sites Like YouTube..." Stop Putting Up With Expensive Banner Ads And Pay-Per-Click Campaigns Which Make You Pay Ongoing Fees... Dear Fellow Marketer, Does it ever feel like it is getting harder and harder to get new, qualified buyers to your websites to buy your products and services? Does it seem like search engine optimization actually is rocket science and other traffic generation methods like pay-per-click or banner advertising are always costing you more money? If so, you're not alone. New Report Reveals An Amazing Source Bursting With Traffic That Few Marketers Are Using... Did you know that YouTube serves up over 200 million video clips per day? It's true...people are flocking to online video sites in droves, and they are watching so many videos, that even network television is worried that they'll become obsolete. It's so wonderful because barely any marketers really know how to use it as a promotional method. Simply put, creating 1 video promotion today can potentially get you hundreds of thousands of visitors to your websites in the future...And it's totally free because these sites pay for all of the bandwidth, hosting and traffic to your video promotion. And that's why it's important that you learn about this new medium today...so that you can take advantage of it and advertise your products and services with short video clips, without paying any fees per viewer (Before it gets played out like all the other website promotion tactics). But Creating Those Promotional Videos And Learning How To Optimize Them To Get Thousands Of Views Is The Hard Part... It could take you years and can cost you a small fortune to figure out just the right video creation and promotion techniques that make some online video promotions work - while others flop. But instead of knocking yourself out trying to come up with just the right video promotion strategy, you can now have it inside a new eBook called: TubeTraffic - Discover The Little Known Secrets Of Generating Free Website Traffic From YouTube! This amazing eBook is the result of researching over 200 websites and over 100 video promotions! Inside this eBook, you'll learn: *** How to do important keyword research on YouTube before you ever start to plan your videos (picking great keywords to tag

your videos with). *** The most important information to look at when researching. *** What types of videos are popular? Learn the 10 important factors that are part of almost all wildly popular videos. *** Want people who watch your video to go to your website? Learn where in the video should you put your website URL. *** Everything you need to know about how to brand the video with your company name and site URL using free (and easy to use) video editing software. *** The secret to increasing your video views with custom thumbnail images. *** How to build your own niche video community on YouTube with the groups feature. *** Explained: The 5 minute process to create a custom profile and your own custom channel information (This will give you a big advantage when people sort for 'Channels', 'Groups', and 'Playlists'). *** How to add effects like titles, credits, transitions, and soundtracks to make your video an exciting multimedia experience. *** The secret of viral videos: Learn what makes people send YouTube videos to their friends, family and coworkers. *** How to use videos as a sales device on your company website (even if people don't find your video while searching YouTube, you can still use video to increase sales). *** What you should absolutely NOT do after you've uploaded your video. *** You don't want to miss this: Where to get amazing software which can animate a human face into realistic looking cartoon. *** Multiply your efforts with a list of more than 20 other very popular free online video sites. And You'll Also Get Actual Case Studies... Think it's all smoke and mirrors? Not so --I've included actual case studies of five different YouTube advertising campaigns which were wildly successful, so that you can emulate them...You can watch the videos for yourself and learn what made them so successful firsthand!

Case Studies: Case Study 1. Simple Product Demonstration On Film Builds A Company. How one simple promotional video of an employee demonstrating a company product got over 1 million views and built a brand. Case Study 2. Amateur Video Sells High-Ticket Item How an amateur video created by a sales agent only got about 350 views on YouTube but sold a high-ticket item worth hundreds of thousands of dollars (Proving that your video doesn't have to be seen a lot to be a huge financial success). Case Study 3. Office Humor Sensation How one technology company created a funny video about office life which was at one point being viewed thousands of times per hour. Case Study 4. The 'Magical' Promotion Method This case study shows how one affiliate promoter uses dozens of short clips to get viewers curious, then rakes in tons of traffic and sales as they follow the URL to his website. Case Study 5. The Secret Of Borat How the Hollywood hit film 'Borat: Cultural Learnings of America for Make Benefit Glorious Nation of Kazakhstan used YouTube to make a low budget film into a sensation that raked in

over 100 million dollars (and learn how you can apply similar strategies). But Wait, There's More...You'll Also See Step-By-Step How to Actually Create Your Own Great Videos You'll also get step by step instructions and a list of resources you can use to create great videos. *** How long should your video be? The answer may surprise you... *** The best places to outsource your video production to you just don't feel up to the task of creating your own. *** Do you even need video footage to create a great video? How to create compelling videos from still photos. *** Where to get pre-made movie clips (super-cheap) that you can use in your own promotions. *** 3 places where you find great production music clips online for video soundtracks. *** Where to get great royalty photos, clipart and video clips to use when editing your videos. *** How to capture the most controversial video footage. Where to download free video editing software (and how to use it!) *** The best way to practice making videos. *** The best format to upload for high quality. *** How you can get around the 10 minute limit if needed. *** Who should be actors in your videos and what papers should they sign? *** What kind of equipment you will need to have before you can create a video (you may be suprised to find that you might already own video equipment). *** A little known (but very useful) feature of many digital cameras which few people use. *** The best webcam to use for YouTube videos. *** The best screen capture software on the market today and how to record your actions on the computer screen along with voice narration (use this to make software demonstrations, digital product demonstrations, or show off membership websites).
