The Law Of Success In 16 Lessons Description: The download contains 47 pages of excerpts from the full 16 volume version of the Law of Success in 16 Lessons. I expect that youve heard of Think & Grow Rich. What you may not know is that it was only a cut-down version of a much larger course developed by Napoleon Hill some nine years earlier. This course was called The Law of Success in Sixteen Lessons...and it ran to a total of 1,170 pages. Unfortunately, due to its size (and therefore cost), most of the copies of the original leather-bound eight-volume set were snapped up years ago by people who could afford it. Even now...the original editions sell on ebay for over \$400. So...why am I telling you this? Well, after reading The Law of Success myself...I realized how terrible it was that it wasnt available to a wider audience. Thanks to the power of the Internet...YOU can have all of the additional resources that were recommended by Napoleon Hill himself - now, right at your fingertips.
