Product Details--- SuperCharge Your Earnings By Getting Into Alliance With Other Marketers. An All-In-One System That Runs ALL Your Joint Ventures On Autopilot... And makes you lots of money as you team up with your Joint Venture Partners. If you market ANY products or services on the internet, then you are missing out on big bucks if you never get into into alliance with other marketers who share the same interests as you do. A Joint Venture (or just JV) can produce dramatic windfalls of quick cash when marketers pool their resources together for mutual benefit. Until now, a lot of internet marketers (including me) have been at a loss on how to run Joint Ventures simply because we did not have the right tools to do so. We had to combine so many expensive scripts spending hundreds or even thousands of dollars, and even then, these did not adequately meet our needs. Whether Your Joint Venture Involves Selling Time-Limited Products, One-Time Offers, FireSales or Just Signups, You can now automate your entire JV with JV FireSale Automator... A lot of Internet Marketers remain trapped in a locked safe - they'd like to make more money by running Joint Ventures with other marketers. However... the only reason they remain trapped is because all they know are locked doors... I used to be guilty of the same thing: I was so convinced that all the doors of opportunity were locked, I gave up even trying to open them. Since that time, I have run a LOT of very successful time-limited offers. If anyone could have told me I could bank thousands of dollars in just 24 hours, I'd have called them crazy or worse! But even then, I realized I still had one BIG limitation - I had to BABY-SIT all my special offers from the first to the last day. Sometimes I'd forget to send a crucial message to my prospects at the right time. Sometimes I simply sent the wrong message. Or a message with no subject line. Most of the times I was going crazy trying to remember to upload special offer pages at the right time (I missed a lot of them) amidst all the crazy flow of email messages and support requests resulting from all my clumsiness. And I lost thousands and thousands of dollars in potential profits as a result, JV FireSale Automator has now provided the key for you to unlock yourself from the confines of your untapped earning potential. It's been proven many, many times over. Teaming

up with fellow marketers in a Joint Venture means big money or benefits for all involved. JV Firesale Automator is the perfect system specifically developed to run ANY kind of Joint venture without any technical know-how.
