

Yerma - Federico Garcia Lorca

[DOWNLOAD HERE](#)

Yerma (meaning Barren) is one of three tragic plays about peasants and rural life that make up Lorca's rural trilogy. It is possibly Lorca's harshest play following a woman's Herculean struggle against the curse of infertility. The woman's barrenness becomes a metaphor for her marriage in a traditional society that denies women sexual or social equality. Her desperate desire for a child drives her to commit a terrible crime at the end of the play. This Student Edition comes complete with a full introduction; plot synopsis; commentary on characters, context and themes; bibliography; chronology, and questions for study.
