From: Timm Miller Dear Friend, Id like to get something out of the way right now There seems to be a myth going around about fun travel that most people believe in. What Im talking about is most people think that to have a great time, being around sexy, fun singles while traveling all over the world costs a fortune But that couldnt be further from the truth! Sure, its expensive to take a limo to the air port, fly first class to a hot party destination, stay in a 5 star hotel and have a personal assistant follow you where ever you go but who the hell actually wants that? I mean most people just want to party and have an amazing time while seeing the world, and that can be done for a lot cheaper than most people think. In fact The Experience Of A Lifetime Can Be Had For Under \$300! Thats right, you can party with fun and exciting singles just like you for what you would expect to pay for a nights stay in a fancy hotel and its all thanks to something called singles travel tours. And if you are single, young, looking for fun and excitement and want to see the world there is no better choice than to go on a singles travel tour!
