Facebook Fan Page Iframe Training, and Wordpress Theme PERSONAL USE RIGHTS ONLY! It nothing new that Facebook has now made major changes to the beginning of March with the switch to iframes. Now even though the change has taken place, it is a new opportunity in front of yourself. See many offline businesses and even online marketers still do not know, understand or handle the new framework for iframes on fan pages. You're in a unique marketing position both online and offline! Both packages include Over The Shoulder Video Training Tutorials. I got a premium WordPress Theme coded to work with iframes Fan Pages with NO SCROLL BARS, and footer WIDGETS! \*FACT: You know many offline marketers are still not offering WordPress themes to their clients. In fact, many of the offline businesses I talked to this week did not even know they could manage their content for fan pages that way. Here are the components of the WordPress Iframe Fan Page Training package Component 1: 3 High quality Training Videos! (FLV format, iPod ready, MP4) The videos will start with an overview of the way that explaining all of the options in setting up an application on Facebook. VIDEO 1: Slideshow Overview: A quick walk through of the videos that come and what you will learn. VIDEO 2: Creating Your Fan Page: An in-depth walk through of the differences in fan page types like community pages, band page, product pages etc. and will finish with setting up a new fan page. VIDEO 3: Inside Facebook Fan Pages: Look over my head. I show the different options and settings inside fan pages. VIDEO 4: Facebook APPS 101: You will learn all about FB apps settings, for both iframe canvas apps and iframe tabbed apps. At the end I finish up with setting up a new FB app live for you. Component 2: Easy-To-Install Iframe WordPress Theme! (Zip file) The theme is super dynamic with a header space, that hooked into wp-pages, wp-custom-menus and wp-widgets. Component 3: Look Over My Shoulder WP Theme Setup Tutorial! (MP4 Format) The video is completely unbranded and gives you an in-depth view of complete setup and customization of a PLR WP theme. Component 4: Iframes Resource Guide! (PDF format) The resource guide comes with some information you will need to be successful with this package. You Will Have Everything You Need To Successfully Sell New Iframes Technology! 5 Unbranded High quality training videos on fan page iframes 1 premium Wordpress Theme coded to work in iframes with NO SCROLL BARS, and footer WIDGETS! 1 Video walk through of the setup of the wordpress theme in a brand new facebook fan page
