1. You can add an un-blockable popup to any affiliate link. Virtually every major marketer online uses them now... and the popup blockers can't stop them.
2. You can add audio to any affiliate link. You know Armand Morin and all the other big name marketing guys use audio on their sites to help them increase conversion rates. Why do they use audio... because it works.
3. You can add proactive live chat to any affiliate link. By showing there is a human behind your business, people will trust your site and your advice a lot more. This extra trust leads to extra sales.
4. You can add a completely un-blockable exit screen to your affiliate links. My programmer figured out a way to add a totally unblockable exit screen to any affiliate link. Every visitor you send to your new turbo charged affiliate link, WILL SEE this second page, which can be any page you want it to be. Turbo Affiliate Link Generator will get your visitors doing business with you instead of your merchant. Did you know that 97 of affiliates are not building their own businesses; they are just performance based advertisers building their merchants long-term business. This is exactly why they are failing. Now that you realize this, you are ahead of 70 of affiliates, but just knowing that isn't really going to help you make more money as an affiliate. Acting on that knowledge and finding ways to overcome that problem will make you more money. So how can you build your business as an affiliate marketer instead of just building your merchants business? It is easier than you might think. This system is super powerful outside of the "how to internet marketing" world. One of the best things about this system is that it is incredibly powerful outside of the "how to internet marketing" world. Many of the informational and software products that the guru marketers push are designed to be used primarily in the marketing world. Turbo Affiliate Link Generator is different. In fact this software will make it easy to apply many of the conversion rate boosting tools we use in the marketing world to any affiliate link. And I mean any affiliate link for any product. The real power of this software is that when you apply these strategies to less competitive markets with visitors who don't see all these sales tools every single day, they will work even

better. Turbo Affiliate Link Generator is so easy to use... Anyone can use it Many affiliates never make it online because there is just simply too much to learn...trust me I know how you feel, I struggled for over a year, before I figured it out. But it doesn't have to take you that long. When we set out to create Turbo Affiliate Link Generator, we wanted to make sure it really solved many complex problems affiliates are facing every day. Then we went one step further...we not only wanted it to solve some difficult problems, we wanted Turbo Affiliate Link Generator to be easy to use. Our goal was to give you a real chance to succeed online as an affiliate. Turbo Affiliate Link Generator is so easy a complete novice could use it effectively. It is software that just works for you.
