I'm about to introduce to you a brand new Windows software package that will help you create professional, high quality html newsletters for all of your web sites, programs, and offers - NO HTML KNOWLEDGE REQUIRED! Are you a current eZine publisher who sends out all-text eMails to your subscribers? Well if you are, I'm willing to bet that your response rate could be a lot greater if you offered online HTML newsletters! HTML newsletters are simply the best way to produce your issues - hands down! Whether you are a complete newbie who has no idea how to write .html code or a seasoned professional who needs more time....this new software package will knock your socks off! Introducing...eZine Machine V.1 .. Brand New Software For Easy HTML Newsletter Generation! Newsletters are powerful marketing vehicles that can build your customer base, sustain contact with clients, promote your products, AND establish your online credibility. The newsletter is one of the most effective promotional tools in your e-marketing mix and it costs little - or nothing - to implement. Average webmasters who may not know how to write eye-popping HTML newsletters miss out on the many advantages that more advanced webmasters experience simply because they do not have the technical knowledge necessary to do otherwise. This simply just isn't fair for the little guy and I have set out to change it! I mean, Why let all of the big guns have all of the fun? By releasing eZine Machine V.1, I'm offering you a way to write eye-popping HTML newsletter issues on the fly-- without HTML knowledge!! Simply choose which template you'd like to use, enter your personal information and let the software do the rest! The top 5 reasons for offering an online HTML newsletter.... The more words in your eMails, the greater the chance that the spam filters will send it straight to the trash can - bad news for you! People are tired of boring black and white eMails with tons of text! They simply just don't read them anymore! HTML newsletters are archived and indexed on search engines because they are actually

web pages on your server. They will in fact INCREASE your web site traffic. HTML newsletters give you a way to present your material in a creative, attractive, and fun way to your subscribers. It's not a secret that eMail is being filtered by the billions today. With this new software, any webmaster can create, print, and display their own attractive, well-designed, html newsletters in a flash! eZine Machine V.1 FEATURES...

you. JavaScript Enabled Browser - Ezine Machine V.1 uses JavaScript in its code so you should have a web browser such as Internet Explorer with javascripting enabled in order to fully utilize this software. eZine Machine V.1 comes ready to run right out of the package. No messy installations - just unzip the package and double click to start generating HTML newsletters right away! Okay, So Now I Bet Your Next Question is, "What's All This Going To Cost Me?" Instead of thinking cost, you should consider investment. Imagine how much having classified ads that command attention could mean to your bottom line? Or...offer this as a service to your clients and Imagine branding your name and earning extra cash! This package is valued at \$947.00 with bonuses! But, I'm not going to charge you \$947 or \$347 or even \$147, seemingly the going rate for this type of package (which doesn't even give you a quarter of the features and value that I've assembled for you)! During this special RELEASE SALE, your entire investment is only \$1.97!! Why is the price so low for such an incredible package? My business goal has always been to help other webmasters rather than profit ridiculously from the products that I create. I don't believe that charging inflated prices for eProducts help consumers in any way. Therefore, I have kept the price at a reasonably affordable rate so that everyone can benefit from this very effective piece of new technology. But remember, you must take action before tonight at midnight to get all these free bonuses and to save 50. Don't set this aside --chances are too great that you'll forget. Think about your return on investment here. The risk to deliver is entirely on my shoulders. You risk absolutely nothing. Because if you don't think this package you'll get is worth at least 10 times your investment - then I truly want you to let me know. I trust you to be fair. So if you are serious about achieving more web traffic and ultimately success.. then you can't overlook this risk-free opportunity...
