Ask Me Pro is a fully featured professional online survey script with the same power and functionality of the high ticket and monthly fee survey solutions. It is coded in php with a robust database driven backend, meaning it is very dependable. Once installed it will take less than one minute to publish your first survey online. This is easy to do, only takes 30 seconds and full directions are provided. Here are just some of the features you get with the powerful 'Ask Me Pro' survey system! * Add a survey to any one of your websites in a matter of minutes! * Customize the look and feel of your survey to match your site design. * Allows you to set multiple question types! * Optionally capture the name and email address of every survey respondent! * Choose whether you want to allow only one set of responses per person or multiple! * Choose whether to allow others to view the responses to the survey or keep the results to yourself. * Forward all survey respondents to any webpage you choose. (Great for offering a free gift). * Powerful response overview options. * Text response analyzer which lists the most popular phrases your respondents use. This enables you to instantly identify popular trends and concerns at a glance! * Plus much much more.... You need to have access to a Mysql database and PHP. ----- Bonus ebook Instant Product Fast Traffic MRR Discover in Instant Product + FAST Traffic a system that generates Products and Traffic with almost No Work.
