Now you can have a second chance at selling to your exit traffic! "Unleash An Army of Virtual Sales Agents & Immediately Skyrocket Conversions, Sales & Profits..." Dear Marketing Website Owner, If you've been following the Internet Marketing scene the past few months, you may have noticed the growing popularity of "exit" scripts that pop-up when a visitor is just about to leave, displaying a last effort message in order to save the visitor from leaving. Most of the time, a coupon is offered or a reminder of free bonuses, but they aren't very pretty and don't appeal to everyone. Introducing 'Virtual Sales Bot' So why is Virtual Sales Bot different? Virtual Sales Bot captures the visitors attention by actually opening a chat window with the visitor and starts up a conversation with them...interactively! Here is an example screenshot of a Virtual Sales Bot! Just look at some of the amazing features of Virtual Sales Bot: You control the conversation text that the visitor will read. You control the name of the "sales agent" the visitor is "chatting" with. You control the pop-up window (add an image, change the colors, etc.) You control the time delays when the text appears. You control the "replies" that are displayed to visitors that mistake the "bot" for a human. Note: All of this can be done with a simple text editor on a PC or MAC. No special software is required. By the way, did you catch that last bullet point? You can actually control the "replies" that a visitor will read if they accidentally mistake the bot that is chatting with them for a real human. Virtual Sales Bot will randomly choose a reply from your list and actually answer the visitor's question or comment. To see for yourself, move your mouse cursor as if you were going to close your browser or click the back button, wait for Virtual Sales Bot to pop-up, then start chatting! VSB will randomly choose a reply and answer your chat questions or comments. Virtual Sales Bot is a powerful, easy to use software you can use to set up your own personal exit traffic army of virtual salesmen. As soon as VSB gets a sense that someone is about to abandon your site, it jumps into action, giving your visitors a second chance to interact with your site and take action on your offers!
