Once you have bought and fixed up a site, you need to know HOW to sell it to someone else. This is the key factor that makes this course so profitable. What I am going to teach you can easily add another 100 of profit to a site. For example a \$300 site that you would sell for \$500 can be sold for an additional \$300 or \$800. The best part - it takes less than an hour to do it, but most people don't bother,

which is great for you because you'll stand out and sell your sites even faster!
