WORDPRESS MASTERY VIDEOS (added october 2011) with BONUS: wordpress cashmachines

***** he first thing you should do is to learn how to use the power of WordPress. This simple content management system is your gateway to online profits. You dont have to learn the programming or developing stuff. Just learn the basics of how to use it. Once you know WordPress, the opportunities are everywhere. Whether you decide to help businesses get a website or you decide to build affiliate or AdSense based websites, WordPress is your solution. When I take on consulting clients who are trying to get started online, the first thing we will do is brainstorm various ways to start an online business depending on their skill set and focus. Over the past few years of doing this, I have built an extensive list of ideas for how to make money with WordPress. Now, for the first time ever, I am publicly releasing my WordPress profit blueprints in one resource. 50+ Money-Making Blueprints for Success ***** This offer is about: From: Scotty McEbook Dear Friend, I'm sure you've heard of stories of people earning tens of thousands of dollars every single month... So how would you like to join the league of these elite bloggers? The sad truth is, if you're just starting out and hope to make big bucks from blogs, it's going to be an uphill task for you. The reason is because, most people would have given up before they actually mastered all the nitty gritty stuff involved in setting up a Wordpress blog and figure out how to monetize it. Yes I know it sounds sad, but that's the cold hard truth! There's simply so many different things you need to learn when it comes to mastering Wordpress. Maybe you've often wished there was a video vault which contains all the tutorial videos for the most common topics of Wordpress... If that's what you've been looking for, the "Wordpress Mastery Videos" package is exactly what you need! With "Wordpress Mastery Videos", you'll receive instant access to a comprehensive set of THIRTY tutorial videos which walk you through all the important aspects of Wordpress. You can easily refer to this set of videos whenever you face a problem of not knowing how to do something... Even if you are an advanced marketer, you could even pass these videos to your own outsourcers so that they can help you complete any of the tasks required. Or if you're

an offline consultant and you use Wordpress to create sites for your clients, you could also hand these videos to your offline clients so they don't have to bug you everytime they face a difficulty! You can also boost your online support desk with these videos to help your customers or prospects with the tasks as well! Before I share more on that, let's take a look at the full set of THIRTY Wordpress tutorial videos that you'll be receiving:

- Video 1: How to Create Subdomains and Add-on Domains in cPanel Sub-domains are used to divide your primary website into different "categories".
