

# Mp3 Domonic Dean Breaux - Dreamstates

[DOWNLOAD HERE](#)

Dream inducing Bansuri flute music that floats upon a sensual soundscape of ambient pads and subtle sounds of nature. 3 MP3 Songs WORLD: World Fusion, EASY LISTENING: Mood Music Details: "Inspired tranquility . . . a mystical union of bansuri and soul." Gurmukh - Yoga teacher and healer / director of Golden Bridge, Los Angeles, CA "Those who enjoy natural, ambient music, will consider Dreamstates a great find. Breaux's enveloping melodies are like a sonic massage that relaxes the body and pierces the monkey mind." Adam Skolnic - LA Yoga Magazine, March 2003 "Dreamstates takes the listener on a meditative journey through a myriad of musical emotions and moods that is sure to invoke tranquility. Domonic has created a beautifully spacious and peaceful soundscape to lose one's self in." Greg Ellis - composer, producer and percussionist (Vas, Mickey Hart) "Listen and be transformed into the sublime depths of your spirit." Maurice Kaehler - Yoga teacher / founder of Omworks, Los Angeles, CA "The sweet and haunting sounds of Domonic's flute invite meditation and awareness to flow effortlessly within. Dreamstates is perfect for Yoga practice and healing work. I love this CD." Saul David Raye - Yoga teacher / co-founder of Sacred Movement, Los Angeles, CA "Dreamstates captures an improvisational stream of consciousness that possesses timeless listenability. Domonic takes you to a sacred place." Dave Stringer - composer, singer-songwriter "The pure sounds of Dom's playing always take me deeper into my yoga practice and into my heart. I recommend this CD for both yoga and meditation." Sue Elkind - Yoga teacher / co-founder of City Yoga, Los Angeles, CA
