Youtube Video Site Generator - Youtube Site in a Box - MASTER RESALE RIGHTS How Would You Like To Leverage On Having Cash Pumping Niche Websites, That Updates Itself, Streaming Videos You Do Not Create!! The Absolute Solution To Covering Any Niche In Just 5 Simple Steps! YouTube Video Sites Generator In A Box Will Let You: Add niche specific video sections to any of your existing websites! Just decide on the keywords and you have a professional video streaming website, boasting 100s of entertaining videos in 15minutes or less! Template based dynamic pages allows you to quickly edit your video section to match any of your present websites! Plus so much more... Dear Friend, My son is a big fan of Transformers and everyday, for a few months after watching the block buster movie, he begged me to let him watch video clips from the motion picture, short stop motion movies produced by fans and even Toy reviews of the movie action figure by independant toy collectors. His interest grew so big that I find it cumbersome to search for a specific video on YouTube without being sucked into the other videos...so I decided to create a website displaying nothing else besides video clips of Transformers The Movie. But I was telling myself...hey since I am building a site for my son and its an internationally popular movie why not just whip up something that others can enjoy too? And so I did.... 95 page impressions on the 1st day and 458 on the fourth...thats not too shabby...especially when you think about it, I didnt even think of monetizing the site at all. then comes the BIG problem..... When it comes to coding the site, itll take any regular guy a good single day to put something like that together....that is if he knows how to write in PHP... You can forget HTML if you want to build dynamic web pages like that... In short...its clearly impossible to create something like that for any normal guy who does not eat and sleep writing script codes... You know you need to have hundreds of sites like this earning a realistic \$1/day to live the \$100s/day mark.. But what if I can change that for you? What if I can help you create those hundreds of niche specific video sites earning you a healthy side income...lets just face it...even if you are a pro in creating sites like this....you would rather churn niche video websites at the speed of thought...and so I developed.... the Solution....
