

Demon Under Glass Gag Reel - Director's Cut

[DOWNLOAD HERE](#)

What happens when government scientists capture a vampire? Demon Under Glass, the film Fangoria Magazine called 'a vampire film with brains,' answered that question in 2002. But that was the story from one side of the camera. Join in the fun from the other side with actors and crew. This glimpse into film making mahem is brought to you by Dragoncor/Earthdragon Productions and Just Roscoe Productions, Inc. File format is for Windows Media Player - ONLY
