Mystical rhythmic chanting set to world beat percussion. Perfect for yoga, massage and meditation. 8 MP3 Songs WORLD: World Fusion, WORLD: World Beat Details: This may not be the strangest album you ever heard, but it's in the top 10. -- A Russian rock 'n' roll star -- Chanting to mystical gibberish -- To world beat percussion Go figure! This is the latest album from the collaboration that produced the extraordinary album, REFUGE, this second offering of Gabrielle Roth Boris Grebenshikov weaves transcendental, hypnotic music with a mystical language of the soul. "This stunning release escapes definition; [it is] a force that moves outside the driving percussion and ethereal vocalizations like a pair of ghostly hands that reach through the gut to grip and rhythmically sway the soul.... Profoundly moving, deep, hypnotic, trance music like no other." - Musical Soundscapes As one critic noted, Gabrielle Roth is the only woman in America making tribal, ambient music and she's been doing it for 20 years. Boris Grebenshikov is the former USSR's leading rock musician. He has released 20+ solo albums and 30+ albums with his band, Aquarium. There are over 300 websites devoted to his music.
