

Mp3 Gabrielle Roth & The Mirrors - Trance

[DOWNLOAD HERE](#)

A great blend of exotic rhythms and beats. 8 MP3 Songs WORLD: World Fusion, NEW AGE: Ambient
Details: This cool amalgam of soulful, mostly softly-tendered tribal textures is masterfully handled by a who's who of multi-ethnic percussionists - -absolutley body-propelling. As one critic noted, Gabrielle Roth is the only woman in America making tribal, ambient music and she's been doing it for over 20 years.
