

Mp3 Jon Swift - 15 Songs By Jon Swift

[DOWNLOAD HERE](#)

intimate, paired down, songs of primarily guitar and vocals, from riff based to jazz to country. 16 MP3 Songs FOLK: Folk Blues, ROCK: Folk Rock Details: Jon grew up surfing and playing music in North County, San Diego. Along with music and the ocean, he also has interests in philosophy and astrophysics and is currently in a PhD program at the University of California at Berkeley. His broad path landed him a section in the 2001 surf film "Shelter" produced by the Moonshine Conspiracy which documented a diverse spectrum of folks who share a love for the ocean.
