

Mp3 Nancy Bloom - Spirits Walking The Wind

[DOWNLOAD HERE](#)

Sacred/Chant. Songs and chants with timeless melodies and lyrics. Moving vocals in spellbinding arrangements, these haunting, delicate, and powerful songs of the soul echo Celtic, Native American, and African American roots. Native Spirit, Inspirational 12 MP3 Songs WORLD: Native American, WORLD: Celtic Details: Since 1973, Nancy has been an inspired and inspiring singer/songwriter and respected healer and transformative workshop leader. She is also a mother and a devotee of Spirit and of Nature. Her first album, Spirits Walking the Wind, brings forth her timeless, profoundly healing music, in spellbinding arrangements. The music is co-created with the heart and artistry of such artists as Celtic and Andean harpist Ani Williams; baritone G. Valmont Thomas; woodwind artist Pat O'Scannell; Native American flute player, Sam Kurz; Richard Williams on guitars and keyboards and others. All are recording artists in their own right. The concerts featuring Nancy soloing with these artists are moving and uplifting. This album has been greeted with widespread radio airplay, glowing media reviews, and raves from listeners, who listen to it over and over and over again, and many of whom buy several for gifts! Nancy Bloom has been interviewed about her music and her healing arts work on nationwide radio shows. Now an award winning TV personality and producer herself, Nancy's life work encompasses two major currents: HER MUSIC; (original songs and compositions, recording, co-creating with others, and performing), sound healing and toning, and now work on her second album. THE HEALING ARTS WORK she has done professionally since 1975: energy medicine, spiritual healing, soulwork, counseling, intuitive work, hypnotherapy, and Shamanic work, as well as transformational workshops and wilderness quests, incorporating the healing power of Nature and of chant, song and sound, (and, in the past few years, transformative television). Her music is informed by and echoes all these areas of life. ALL HER WORKS ARE HEALING AND UPLIFTING IN NATURE. (See her website SpiritInBloom.com).
