

Mp3 Katy Wehr - The Smell Of Rain

[DOWNLOAD HERE](#)

Katy Wehr's debut americana folk/rock album is all about the voice, all about the guitars and strings, all about the stories, the heartache and making peace. 11 MP3 Songs FOLK: Modern Folk, ROCK: Americana Details: Music can sometimes fixate on either pain or easy answers but The Smell of Rain by Katy Wehr explores the space between those two extremes, giving voice to genuine struggle and exploring the rocky path toward resolution. With strong, clear vocals and an Americana sound that leans now toward folk, now toward alt-country, Katy Wehr uses sparse lyrics and natural imagery to tell stories about loneliness, fear, forgiveness and the stirrings of hope. Songs from The Smell of Rain have recently been featured on BBC Northern Ireland's Rhythm and Soul, Wisconsin Public Radio's Simply Folk, Northwest Public Radio's Inland Folk and Minnesota Public Radio- The Current's Morning Show. All Songs are also available individually through iTunes, Rhapsody, MSN Music, BuyMusic, MusicNet, Napster, MP3tunes and Yahoo Music Match.
