A combination of American-acoustic fingerstyle guitar, combining world traditional folk styles. 10 MP3 Songs FOLK: Traditional Folk, WORLD: World Traditions Details: Reece's new CD "Things To Come" follows his highly praised CD "Song For America." A musical journey where the listener wonders what's next! Solo guitar pieces are interwoven with sonic soundscapes that will keep the listener traveling. All anchored by Mr. Reece's imaginative guitar work, it features guest performances by; Todd Clayton (formerly Charlie Prides steel guitarist), Rick Arsenault (Colorado native percussion wiz) Katie Quigley (world traveler and musicologist). From the ethereal opening song Johnny June (dedicated to that great American couple Johnny June Cash), to the war cry's of the American Indian "Cold Heart" to Martin Simpson's beautiful arrangement of Raglan Road, "Things To Come" begs the listener to travel along with Mr. Reece and his guitar.
