

Cowboy Bird Touches Cactus

[DOWNLOAD HERE](#)

Silly animated short in which a cowboy bird interacts with a cactus. Whatever will happen?? I started making BIRDTOWN animated shorts in the spring of 2010, so this is still a relatively new project. As to whether I will make more or not is yet to be determined. To be honest I am getting plum sick of the birds.

File type: WMV File size: 1.27 MB Length: :42 sec
