

Mp3 Various Kenyan Artists - Music From Kenya Volume 1

[DOWNLOAD HERE](#)

A Rhythmic blend of Kenyan Music to awaken and stir the soul. 13 MP3 Songs WORLD: African, FOLK: Traditional Folk Details: The "Music from Kenya" compilation series captures the vast talent in Kenya that has otherwise gone unnoticed. This particular volume features some popular songs that are favorites on radio and music houses in Kenya. It also features music that appeals to the tourists who visit Kenya. This cd strives to showcase both artists and bands that have been around and upcoming ones as well. The goal is to keep quality music from yesteryears from becoming extinct while giving the urban Beat a chance to thrive in an ever changing music industry.
