

Spanish Colonial Or Adobe Architecture Of California: 1800-1850 - , Revel Edwards

[DOWNLOAD HERE](#)

In California, authentic Spanish colonial houses were built with local materials, using the traditions of both Spanish and New England settlers. This book gives architects, home builders and historians a chance to view photos, sketches, and 26 full pages of measured drawings of interior and exterior doorways, paneling, balconies, wrought-iron, and mantels most from houses that are no longer standing.
