Profit every day from market volatility at all levels of the game From the powerhouse stock-trading coach, hedge fund manager, and analyst who brought you the bestselling Trend Trading for a Living comes the guidebook to the ultimate trading strategy for today's uncertain markets: Micro-Trend Trading for Daily Income. Befriend the Trend CEO Thomas Carr shows you why the buy-and-hold approach to investing is obsolete and then details his process for riding the market volatility of intraday trends to lock in steady profits. By following Carr's streamlined, step-by-step instructions, the average investor can realize annual returns of more than 40 percent and professional investors can see potentially more. Whether you are an experienced trader or someone who wants to take control of your retirement nest egg, Micro-Trend Trading for Daily Income gets you off the sidelines and into the game with: The 8 Profitable Short-Term Trading Systems Need-to-know chart patterns, hardware, and software systems The 5-step Plan to Micro-Trend Trading Success Micro-Trend Trading for Daily Income is the right trading book at the right time--lean enough to leave out redundant coverage on reading trendlines in obscure charts but packed with specifics for making smart decisions in the real world. The high-pace atmosphere of today's markets may appear overwhelming, but the right trading systems and expert guidance can help you build winning habits--and Micro-Trend Trading for Daily Income gives you the expertise and tools you need to consistently earn outsized market gains. Written by the man Wall Street calls "Dr. Stoxx," this practical trading manual shows you how to harness the power of volatility to bank daily profits. Microtrend trading takes you beyond the realm of common fundamental or technical analysis to find the hidden pockets of rationality, the "micro-trends," between the open and close of daily trading. Carr's proven, quick-turn, 100 percent mechanical systems are easy to use and do not require sitting in front of the computer all day. You can trade on your lunch break, you can trade the open or the afternoon session, you can even trade once a month and still make great income. And since most strategies in this book have you liquid by the closing bell, your day ends with your account gains posted--and your net worth heading

skyward. Micro-Trend Trading for Daily Income shortens the learning curve and prepares you to think quickly and act decisively with insightful examples and case studies that illuminate Carr's time-tested strategies. With this reliable resource at your fingertips, you will have the confidence to take large positions and make huge returns on a day-to-day basis. Within days you'll be building wealth while tightly managing risk. Micro-Trend Trading for Daily Income is the one complete book that gives you the tools and knowledge you need to develop an arsenal of mechanical, profitable short-term trading strategies that can earn you consistent profits--even in today's temperamental markets.
