

# Realizing Freedom: Libertarian Theory, History, And Practice - Tom G. Palmer

[DOWNLOAD HERE](#)

What is freedom? How is freedom related to justice, law, property, peace, and prosperity? Tom Palmer has spent a lifetime-as a scholar, teacher, journalist, and activist-asking and answering these questions. His best writings are now collected in Realizing Freedom: Libertarian Theory, History, and Practice. Palmer's work ranges from the theory of justice to multiculturalism, democracy and limited government, globalization, the law and economics of patents and copyrights, among many other topics. These essays have appeared in scholarly journals and in such newspapers as the New York Times, Wall Street Journal, and London Spectator. His work is accessible to scholars and thoughtful citizens alike. Palmer has smuggled photocopiers and fax machines into the Soviet Union; organized movements against the draft, taxes, censorship, and victimless crime laws; and ceaselessly promoted freedom in the most hostile locations, from communist Europe and China to Iraq to the halls of academe.
