

# Nightmare On The Pacific Premium Edition - Pc Game

[DOWNLOAD HERE](#)

You can download a free demo. The Brooks family boards the Neptune hoping for a relaxing family vacation but they get more than they bargained for. Smashed by a hurricane, the ship is going down and only a few hours remain before all hope is lost. With the rescue mission aborted, the family separated by chaos, and seemingly insurmountable odds, their fate seems inevitable. Can you help them make it out alive? Take a nail-biting journey through the doomed cruise liner and make it to safety. Search and rescue lost family members and others in 50 exciting scenes laden with danger. Find helpful items and overcome perilous obstacles as you explore the belly of the sinking ship. With a gorgeous cinematic presentation, a heroic quest, and an empowering situation, Nightmare on the Pacific will deliver an unforgettable experience. Publisher: Gameagents
