

Gender Trouble - Judith Butler

[DOWNLOAD HERE](#)

One of the most talked-about scholarly works of the past fifty years, Judith Butler's Gender Trouble is as celebrated as it is controversial. Arguing that traditional feminism is wrong to look to a natural, 'essential' notion of the female, or indeed of sex or gender, Butler starts by questioning the category 'woman' and continues in this vein with examinations of 'the masculine' and 'the feminine'. Best known however, but also most often misinterpreted, is Butler's concept of gender as a reiterated social performance rather than the expression of a prior reality. Thrilling and provocative, few other academic works have roused passions to the same extent. Author: Butler, Judith Publisher: Routledge Illustration: N Language: ENG Title: Gender Trouble Pages: 00000 (Encrypted EPUB) / 00000 (Encrypted PDF) On Sale: 2006-05-16 SKU-13/ISBN: 9780415389556 Lib Category: Sex role Lib Category: Feminist theory Category: Literary Criticism : Women Authors Category: Social Science : Gender Studies Category: Philosophy : General
